Hello Susan Barrett,

I hope this information, provided by Kelly Beavers here at the uspto office of finance, can help you regarding transferring fees by wire. I am no expert on the transfers, but, i often am involved in receiving most money that is wired to new york for pct files, and applying those fees to the pct file itself... thx..

Jon:

Could you answer applicant's question No.2 about the details for direct bank transfer to USPTO?
